

Video Interview Questions

Introduce Yourself

Your name, age, and your instruments.

Your Studies

Do you study?

- Where do you study?
- What do you study?
- How far into your studies are you?
- What do you hope to do after you complete your studies?

Your Experience

Do you have previous teaching experience?

- What can you tell us about your previous teaching experience?
- Who were the students you've previously taught?
- Are you still teaching your students?
- Who was your most experienced student?
- Have you taken students through exams?

You & Music

- What interests you in teaching music?
- From your previous experience as a music student, what did you admire about your music teachers?
- Most new teachers model their previous teacher's style and approach to lessons, is there anything you would do differently to how you were taught?
- If you haven't completed your exam journey, do you have aspirations to complete a Certificate of Performance or Diploma level exam?
- Most of our students come to us as complete beginners, would you feel confident teaching experienced students alongside beginner students?
